Subject: City Council Public Hearing Testimony

Please do not pass Bill 11 in its present form.

I am a Kailua resident. I would like to learn to kiteboard and would like to be able to learn in Kailua.

My son is part way through learning to kiteboard. This bill will prevent him from taking further lessons.

This bill will do little to curtail the kayaks at Kailua Beach Park because they can be rented nearby.

I urge you to reject the bill in its present form and to think more carefully about what is needed for Kailua Beach.

Sincerely,
Richard Wainscoat
